

QUICKSTART GUIDE

ORDERING *Leva*® THROUGH athenahealth® EHR

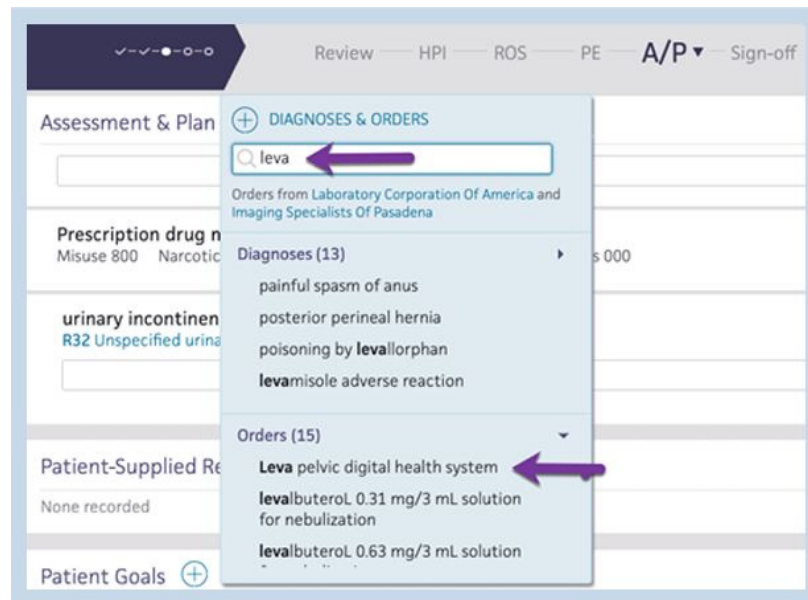

The *Leva* Pelvic Health System is compatible with athenahealth EHR. Please use this guide for instructions on how to electronically submit your patient's *Leva* order.

STEP 1

Open your athenahealth EHR to the treatment plan or "assessment" chart for your patient.

STEP 2

Search "***Leva***" and select the first **order** that appears.

The *Leva*® Pelvic Health System is intended for (1) strengthening of pelvic floor muscles, (2) rehabilitation and training of weak pelvic floor muscles for the treatment of stress, mixed, and mild to moderate urgency urinary incontinence (including overactive bladder) in women and (3) rehabilitation and training of weak pelvic floor muscles for the first-line treatment of chronic fecal incontinence (>3-month uncontrolled passage of feces) in women. For a complete summary of the risks and instructions for the *Leva* System, see its Instructions for Use available at www.levatherapy.com.
